Appendix D

About the Exam

Welcome to Role-Based Learning and Certification

Scaled Agile's role-based Learning and Certification offerings focus on the skills, knowledge, and experience required to successfully perform the job.

As part of your SAFe learning journey, we encourage you to attend the course, read recommended books and articles, take advantage of videos and enablement, gain some real-world experience in the role, and then take the exam.

*We look forward to you becoming
a member of the SAFe Certified Community!*

Get SAFe 4 Certified in 1-2-3
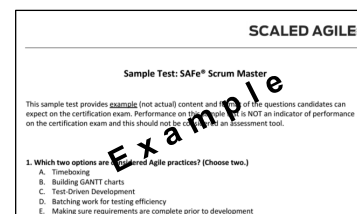

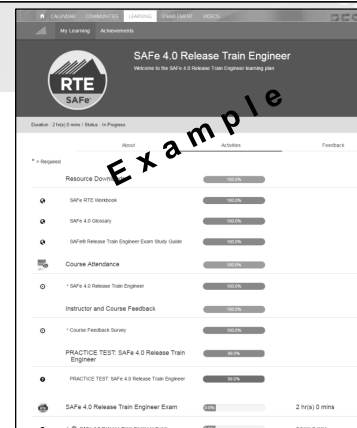

1 **Take the Course**

- Course completion is the first step towards SAFe Certification!

- You will receive access to the SAFe Community Platform after the class, which also gives you access to study materials and the exam

---

Get SAFe 4 Certified in 1-2-3

2 **Study and Learn**

- An exam study guide and a practice test* is available on the **Community Platform** in your Learning Plan. Use these to help you prepare for the exam and to further your learning

- A sample test is publicly available for all exams on **scaledagile.com** on each course page under Exam Details
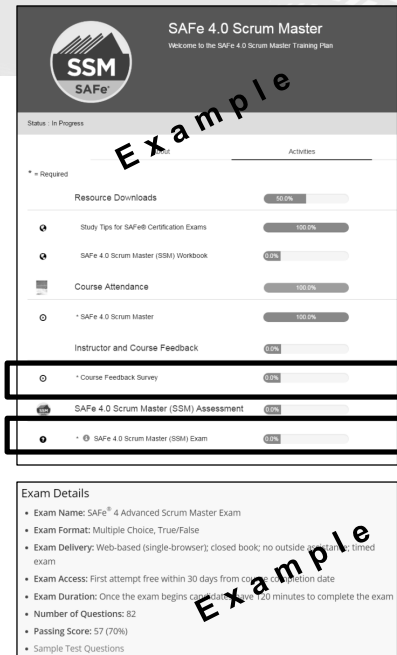

*Study guides and practice tests will be made available for <u>all</u> exams by year end 2017.
